

Visiting Overseas Students Are Cordially Invited to Join Wasoukan's Concert in Kimono

● About the Event

This event offers a chance to appreciate fine classical chamber music while dressed in traditional Japanese kimono.

Wasoukan extends this invitation to overseas students to come and experience the wearing of kimono and touch on a piece of traditional culture. It is our hope that this concert will remain in your hearts as a treasured memory of your time in Japan.

● About Us: A Message from Wasoukan President Ikeda

Our company deals in fine kimono across Tottori and Shimane Prefectures. Our founding principle is the use of kimono as a symbol of Japan's culture, to spread to the world the spirit of wa, a deep esoteric principle of harmony treasured among the Japanese people. The spirit of wa encompasses a mindset of mutually harmonious relations and consideration for others around us. The kimono is imbued with this spirit.

We are delighted to invite you to feel the spirit of wa, and Japanese culture, through the wearing of kimono.
