### 2013 TIME FESTIVAL

The TIME Festival is made possible by the efforts of international exchange organisations and residents of international citizenship in and around Tottori City. This year's TIME Festival will be held November 17th (Sunday) from 11:00 to 15:30 at Torigin Bunka Kaikan in Tottori City. This one-day festival will feature international food, displays, events and performances from around the world. We invite you to take part and introduce your country to local Japanese residents in one of two ways:

#### (1) COUNTRY DISPLAY TABLES

TIME invites you to prepare a display table using pictures, maps and posters to introduce your country. You can also sell goods (e.g. food or handicrafts) related to your country.

- If you do a display without selling anything, please pay us ¥1000 to TIME Festival organizing committee help pay our expenses. (Free for foreign students)
- If you sell things, please contribute either 3000 yen or 30% of your net profit to TIME Festival organizing committee to help pay our expenses.
