

## Permission to Acquire Status of Residence (Birth)

If the baby will stay in Japan more than 60 days of its birth, its parents, international students, must apply for Permission to Acquire Status of Residence for their baby within 30 days of the baby's birth.

**\*This application can be applied by the one parent.**

Required documents	Check
Application for Permission to Acquire Status of Residence	
Passport (Parent's and Baby's) ✕If the baby's passport is not ready to submit to an Immigration office, its parents can just submit their passport.	
Parent's resident card	
Application for Indication of Name using Kanji Characters on the Resident Card *If you would like to have your name in Kanji on your resident card, please submit this application. Please submit your family register which has your name written in Kanji, if your passport doesn't show your name in Kanji.	
Certificate of Birth issued by a municipality office	
Questionnaire "Shitumon-sho"	
Certificate of Enrollment	

\*There is a space to put your child's photo on the application, but it is unnecessary to put it if your child is less than 16 years old.
