

◆ Flow of Medical Checkup ◆

① Fill in the WEB Medical Questionnaire

Non-regular students who do not know your Tottori University' s ID and PW, please contact IAD office.

② Proceed to a booking page.

③ Select Wednesday, the 15th April.

IAD staff will support you only on the 15th, an international students' day. You can choose another date, but the English-speaking medical doctor and IAD staff will not attend.

④ Get a urine test kit in advance.

You must get a urine test kit at your faculty or the Health Science Center in advance. Take your first urine in the morning on your booked checkup date.

⑤ Have a Medical Checkup on your booked date.
